

MB parents,

You are receiving this email because your 5-6 grade child competed in our recent PTA Battle of the Books competition and will either be receiving an award tomorrow or possibly battling for an award in our final Battle of the Books competition. This will be taking place at Meadow Brook tomorrow (Friday) starting at 2 pm. We wanted to invite you to attend and cheer them on if you would like.

If you have any specific questions as to your individual child you can email our PTA president who has done an amazing job organizing this event for our school. Her email is eileen.tew@gmail.com.

Thanks.
