

# Honor Roll

To earn the Honor Roll you must complete all of the Mandatory Tasks as well as eight optional tasks (two per term). Completing these tasks will take considerable time outside of class. Many tasks will require a short write-up that needs to be turned in to your teacher. Please keep track of the tasks you complete and share them with Mrs. Mortensen at the end of each term. Students who meet all requirements by May 7th 2021 will be recognized and earn a special reward!
