

Kindergarten Pick-up/ Drop-off Plan

AM Drop-off

Walking – if your child will be walking they can enter the school at the main doors or walk with the rest of the students along either side of our building to access the playground or breakfast.

Vehicle Drop-off – If you kindergarten student has older siblings they can just be dropped off at our usual north side drop off area. The older siblings can help the kindergarten student get to breakfast or take them to the playground.

Vehicle Drop-off (only child) – if your only child attending Meadow Brook happens to be a kindergarten student, we invite you to use the front (northeast) drop off zone so your kindergarten student doesn't have as far to walk to the front doors and into the school.

Bus – these students will arrive in the bus zone and then walk to the front doors with the rest of the students.

AM Pick-up

Walking- a kindergarten teacher will walk all walking kindergarten students to our main lobby to be picked up by parents.

Vehicle pick-up – In the AM please use the pick-up zone at the front of the school (on the northeast side). A teacher will walk students to this area to be picked up by parents in vehicles.

Bus – a teacher will walk all bus students to the buses and will make sure they get on the bus safely.

PM Drop-off

Walking – Students that are walking to school in the PM will go enter at the main doors and go to class.

Vehicle drop off – please use the drop-off zone at the front of the school (on the northeast side). Your kindergarten student is closer to the front doors and can enter here and then walk to class.

Bus – all bus students will exit the bus and enter the doors that are by the bus zone (southeast side)

PM Pick up

Walking students – all walking students will remain in the classroom and can be picked up by older siblings or parents to walk home. Parents, for safety reasons, please wait at the main lobby until the 3:15 pm bell rings before going down to pick up your kindergarten student.

Bus – a teacher will walk all bus students out each day and make sure students get on the bus safely.

Vehicle pick-up students – those kindergarten students that have older siblings can be picked up from class by them and then together they can walk to the north side of the building to the vehicle pick-up area. If a child has no older siblings, a teacher will walk the students to the north side pick-up area.

Kindergarten! ... here I come!
