

MEADOW BROOK

Meadow Brook parents,

December 9, 2016

Happy Friday to everyone. A couple of reminders we wanted to pass your way.

1. If you took an ornament off of our PTA Giving Tree - if you could have it returned with the item that you were to purchase by Monday, December 12. This will give us time to get everything arranged and ready for the families in our area that we will be helping. THANK YOU so much for everyone's help and generosity.

2. In the newsletter I sent out last week there was an error on one of the dates that I wanted to correct. The Parent Christmas Program will be on Thursday, December 22 at 2:15. Each grade level will do one holiday musical number. Parents are welcome and encouraged to attend.

Also there were some questions on our Reading Carnival we have coming up. This event will be during school and only for the students here. Sorry for the confusion.

3. We wanted to thank all of the parents that came out for SEP conferences yesterday. It is always fun to touch base with the parents and celebrate your children and what they are learning. The teachers also wanted me to give a HUGE thanks to the PTA for the yummy dinner they provided for them. We feel so lucky to have such awesome PTA support here at Meadow Brook Elementary.

4. Meadow Brook will be hosting the regional PTA meeting in January and we are wanting to do a military presentation. Our PTA president wanted me to ask parents and staff to submit photos of their relatives who have served in any branch of the military, both current and past. We plan to create a video presentation of those who have served in the military who have connections to Meadow Brook. Please send a copy of these photos to our PTA president at Eileen.Tew@gmail.com.

5. Also don't forget that in January we will be having a kick off assembly to our kid's marathon program. Mrs. Brown (one of our amazing Kindergarten teachers) is putting together a slide show of students and their families being active. If you would like to contribute a family picture or two for the slide show, please email the picture to your student's teacher by **December 20th.**"

Thanks everyone. We wish you the best this holiday season.
