Dear Parents,

In an effort to promote healthy choices for our students we are excited to inform you that Run 13 has partnered with our school for a kids marathon. Over the next four months your child will be running each week towards their goal of completing a marathon (26.2 miles). This running will take place at school with your child's teacher supervising the running. Each child has set a goal to run 25 miles. Then on **Saturday, May 6 at 10:00am** all student are invited to run the final 1.2 miles of our kid's marathon in downtown Provo. Each teacher will keep a log of the 25 miles run prior to our concluding event on May 6th..

If you want your child to run in Provo for the final 1.2 miles the parent will be responsible for registering your child/children and transportation to the event. Go to <https://www.raceentry.com/races/provo-city-half-marathon-5k/2017/register> to register. It is a \$15 registration fee which covers a race shirt, finisher medal and breakfast after the race. **If you use the code "MEADOWBROOK25" you will save 25% off the registration fee.**

The purpose of this event is to promote healthy lifestyles among out students. We want this to be a family event. Parents are welcome and encouraged to run with their children over the next four months and at the final event in Provo. Students, parents, older siblings and other relatives are able to register for the 5k or half marathon taking place on May 6<sup>th</sup> at a discounted rate. Please go to <https://www.raceentry.com/races/provo-city-half-marathon-5k/2017/register> to register. **By using code "MEADOWBROOK25 you will receive 25% off registration prices.** This code will work for any of the three events (kids race, 5k, or half marathon) and you are welcome to share this discount with any family or friends you want.

Students who are unable to participate in our final event on May 6th will still run with their class during school.
