Meadow Brook Parents,

I hope you are having a fantastic summer! This year as a district we are looking forward to **online registration**. We hope this will simplify the registration process and make it more convenient for all of you.

I want to make you aware that online registration is **now** available on our Meadow Brook webpage. I would like to encourage you to take advantage of online registration. The registration link can easily be found on the left side of the school's main webpage (highlighted in green), or you can simply go to <http://meadowbrook.nebo.edu/registration>. If you have any questions, please do not hesitate to call or come into the school for assistance. Our summer office hours are Monday through Thursday 8:00 am to 1:00 pm.

Meadow Brook will also hold a *walk-in registration day* at the school on **August 1st** from 8:00 am to 4:00 pm. The following will need to attend:

- First time Meadow Brook students are required to bring documentation.
- Returning students with changes to custody, medical, or residency status will need to bring in documentation.
- For those who did not complete online registration and need our computer lab to do so.

Class Placement Information

Class placement information will be shared with those who have registered beginning **July 31st**. We invite you to locate this information on SIS (<http://www.nebo.edu/parents/sis>), or you are welcome to call the school office.
