

# School Access Route Plan

## Meadow Brook School

In accordance with state standards, Meadow Brook Elementary has identified school access routes for Meadow Brook students who live within the walk boundary established for the school. A map showing the identified routes can be viewed by following this link: <https://goo.gl/E6jTsc>.

The intent of a School Access Route Plan is not to identify every school access route or to identify the more convenient school access routes; it is to identify main walk/bike routes that students can funnel to and use to get to school. Care has been taken to consult with local law enforcement, school PTA and School Community Council representatives, and the District's traffic safety committee in establishing school access routes. Despite broad consultation and unanimous agreement from all parties involved in establishing these routes, no one, including the Nebo School District and Meadow Brook can guarantee that the agreed upon school access routes are or will ever be completely free from hazards.

Parents are encouraged to walk or bike the school access routes with their child/children, to address specific concerns they may have, and to instruct their child/children to obey the laws and rules pertaining to pedestrian safety. If a parent feels their child/children should use a school access route that is not identified in this plan, it is their prerogative to instruct their child/children differently.

As previously stated, the intent of a School Access Route Plan is not to identify every school access route or to identify the more convenient school access routes. For this plan, school access routes leading to the school from areas where clusters of students live, have been identified and are described below.

### School Access Route Descriptions:

1. Students living between 1500 West, 1200 West, 1600 South, and 1300 South should make their way to the intersection at 1300 South and Archmore Drive. At this intersection, students should cross to the north side of 1300 South by using the crosswalks located on the south and east side of the intersection. Students should then walk east along the north side of 1300 South until they reach 1200 West. At this point, staying on the north side of 1300 South, students should cross to the east side of 1200 West and then walk south on the sidewalk to 1325 South. Students should then walk east on the north side of 1325 South to 950 West. At 950 West, students should walk north on the west side of 950 West until they arrive at the school.
2. Students living on the north side of 1300 South between 1500 West, 1200 West should walk to 1300 South and then walk east on the north side of 1300 South until they reach 1200 West. At this point, staying on the north side of 1300 South, students should cross to the east side of 1200 West and then walk south on the sidewalk to 1325 South. Students should then walk east on the north side of 1325 South to 950 West. At 950 West, students should walk north on the west side of 950 West until they arrive at the school.
3. Students living on the north side of 1325 South between 1200 West and 950 West should walk east on the north side of 1325 South to 950 West. At this point, students should walk north on the west side of 950 West until they arrive at the school.
4. Students living on the south side of 1325 South between 1200 West, 950 West, and 1500 South should make their way to the intersection at 1325 South and 950 West. From the west side of

this intersection, students should use the crosswalk and cross to the north side of 1325 South. From this point, students should walk north on the west side of 950 West until they arrive at the school.

5. Students living along 950 West between 1191 South and Mattea Ln, and students living on the north side of Mattea Ln, should walk to the intersection of 950 West and Mattea Ln. From this point, students should cross to the west side of 950 West using the crosswalk on the north side of this intersection. Now students should walk north on the west side of 950 West until they arrive at the school.
6. Students living on the south side of Mattea Ln, but north of the tracks, should walk to intersection of 1325 South and 950 West and cross to the west side of 950 West using the south side of this intersection. Then students should cross to the north side of 1325 South using the crosswalk on the east side of this intersection. From this point, students should walk north on the west side of 950 West until they arrive at the school.
7. Students that live between 900 South, 1100 South, 1200 West, and 950 West should walk to 950 West and then walk north to the school using the sidewalk on the west side of 950 West.
8. Students living on the south side of 700 South between 400 West and 800 West should walk to the intersection at 700 South and 750 West. Here, they should cross to the north side of 700 South using the crosswalk on the east and north side of this intersection. Students should then walk west on the north side of 700 South until they reach 950 West. Here, they should cross to the west side of 950 West using the crosswalk on the north side of this intersection. Then students should use the crosswalk on the west side of this intersection to cross to the south side of 700 South and enter school property.
9. Students living on the north side of 700 South between 400 West, 950 West and 400 South should walk to the intersection at 700 South and 950 West. Here, they should cross to the west side of 950 West using the crosswalk on the north side of this intersection. Then students should use the crosswalk on the west side of this intersection to cross to the south side of 700 South and enter school property.
