3. Review School Improvement Plan Goal #3 (Fine Arts Instruction)

Meadow Brook will present a school play next year.

- *Need to decide if it will be school-wide or select grade levels.*
- *How have other elementary schools handled this?*

Orchestra next year?

- *Need 8 - 10 committed students willing to pay \$75 each*
- *Not enough teachers this year*
 - *District does the hiring*
 - *Post job information on Meadow Brook Facebook page to encourage more applicants*

**Goal will be finished up during next month's meeting after more information has been gathered*

4. Other Items

Possible solutions for crossing guard issues at northeast corner - moving traffic out more quickly

- *Ask city for right turn lane*
- *Wait for groups of students (difficult with snow)*

5. Follow up Items

Kindergarten parents to use designated parking spots if they will be leaving their cars when picking up/dropping off kinders.

No crossing guard on duty until 8:30 (we are concerned about visibility w/ the chain link fence).

Will next year's SAGE test be adaptive?

Do all secondary years take the SAGE test?

Our next meeting will be held on February 13th. Liz will be providing lunch.
Thank you for all that you do for our school!
