

Meadow Brook parents,

Our student council and some concerned sixth grade students have come up, on their own, with an idea to help those in our area in need.

They have asked that I send out this message to all of you:

"You CAN make a difference!"

The Student Council and Student Leadership will be holding a food and blanket drive May 10 - 15th. All food and clothing donations will be delivered to the Food and Care coalition in Provo. Blankets can be new or used. If donating used, just make sure they are clean. Students can bring the food or blankets to the office when they come.

There will be a competition between classes to see who can donate the most.

Thanks as always for your support!!
